**This permit becomes null and void if work or construction authorized is not commenced within 6 months, or if construction or work is suspended or abandoned for a period of 6 months at any time after work is commenced.**

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of law and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. I am aware that all new outdoor lighting fixtures, or those that are replaced must meet the requirements of Chapter 176 Outdoor Lighting. In general, outdoor lighting should be hooded, shielded, and aimed downward. Certain exemptions apply including single family and two family uses.
